Impacto en la comunidad/ Impact

Over the last 10 years, we have developed comprehensive health programs for marginalized communities, focusing on those health problems with the highest burden in the population. Therefore, we focus our programs on healthy pregnancies for more than a thousand women. Healthy early childhood development with children from 0 to 5 years, attending more than 8,000 children in the last 5 years, and the attention of adults with non-communicable chronic diseases, serving more than 20,000 adults.
